Anyone that can provide missing dates or missing locations for award scores is encouraged to contact us so our records can be updated. Also, if there are bowlers that have additional award scores that are not in this listing, we need that information to add to our records.

Please contact the SCUSBC office at 1.833.614.9102 (or give the updated information to any SCUSBC board member) if there are any changes or additions that need to be made to this information.

The 298 and 299 game awards were discontinued at the start of the 2014-15 season and these scores were not reported and are not included in the updating of these records.
